**ORDER CLOSING RECORD**

Through prior orders, a schedule was established for responding to supplemental information requests by the Department of Insurance, Securities and Banking, and for providing additional information and argument for its consideration. All requested information has been provided, and Group Hospitalization and Medical Services, Inc. (“GHMSI”) and the DC Appleseed Center for Law and Justice, Inc. (“Appleseed”) submitted final rebuttal statements on November 7, 2014. The deadline for the last submission has expired. No further submissions will be accepted in the record for consideration in this matter, including but not limited to the letter from Appleseed dated November 24, 2014 requesting leave to submit a “brief response” to what it described as “new information that Milliman presented for the first time in its November 7 rebuttal filing.” Appleseed’s November 24 request is therefore denied.

The record for this matter is now closed.

A written determination about whether GHMSI’s surplus is “excessive,” as that term is defined under applicable law, will be issued after the review of all information in the record is complete.

Dated: November 26, 2014
