Dear Acting Commissioner McPherson:

I write on behalf of Group Hospitalization and Medical Services, Inc. ("GHMSI") to ask for a limited extension of time to provide the data requested in Paragraph 1(d) of the DISB's October 3, 2014 Order. The DISB requested that GHMSI provide data by October 24, 2014, for the surplus attribution factors (as of December 31, 2011) listed on page 18 of Rector's July 21, 2010 Report.

GHMSI has been working closely with Milliman to gather and provide the requested data to the DISB. GHMSI and Milliman, however, need additional time to gather, run, and produce the requested data in a complete and accurate manner. Accordingly, GHMSI requests that the DISB grant a short extension of time such that GHMSI must respond to Paragraph 1(d) by Monday, November 3, 2014.

Respectfully,

E. Desmond Hogan
