## Independent Auditor's Report

Board of Directors  
Tuscarora Wayne Mutual Group, Inc.  
Wyalusing, Pennsylvania

### **Report on the Statutory Financial Statements**

We have audited the accompanying statutory financial statements of Tuscarora Wayne Mutual Group, Inc., (the Group), which comprise the statutory statements of admitted asset, liability and members' equity as of December 31, 2019 and 2018 and the related statutory statements of members' equity for the years then ended and the related notes to the statutory financial statements.

### **Management's Responsibility for the Statutory Financial Statements**

Management is responsible for the preparation and fair presentation of these statutory financial statements in accordance with accounting practices prescribed by the Insurance Department of the Commonwealth of Pennsylvania. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these statutory financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Group's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the admitted asset, liability and members' equity of Tuscarora Wayne Mutual Group, Inc. as of December 31, 2019 and 2018, in accordance with accounting practices prescribed by the Insurance Department of the Commonwealth of Pennsylvania as described in Note 1.

### **Basis of Accounting**

We draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the basis of the financial reporting provisions of the Insurance Department of the Commonwealth of Pennsylvania, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of the Commonwealth of Pennsylvania. Our opinion is not modified with respect to that matter.

### **Restriction on Use**

This report is intended solely for the information and use of the board of directors and management of Tuscarora Wayne Mutual Group, Inc., rating agencies and for filing with state insurance departments to whose jurisdiction the Company is subject and is not intended to be and should not be used by anyone other than these specified parties.

See notes to statutory financial statements.

## **TUSCARORA WAYNE MUTUAL GROUP, INC.**

### NOTES TO STATUTORY FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2019 AND 2018

#### **1. Nature of business and summary of significant accounting policies:**

##### *Nature of business:*

Tuscarora Wayne Mutual Group, Inc. (Group) is a mutual holding company that owns 99.811% of Susquehanna Capital Corporation (Susquehanna), a stock holding company that owns 100% of Tuscarora Wayne Insurance Company (TWIC) and Lebanon Valley Insurance Company (Lebanon). TWIC writes property and liability insurance in the Commonwealth of Pennsylvania and the State of Ohio, and its principal lines of business are commercial multiple peril, homeowners, farmowners and personal and commercial property. Lebanon writes property and liability insurance exclusively in the Commonwealth of Pennsylvania. Lebanon's primary lines of business are commercial multiple peril, homeowners and commercial automobile.

TWIC owns 90.1% of Keystone National Insurance Company (Keystone). Keystone is a property and casualty insurance company domiciled in the Commonwealth of Pennsylvania and writing business in ten states for agent/owners of Keystone Insurers Group, Inc. Its primary lines of business are commercial multiple peril, homeowners and commercial and personal property.

TWIC holds a \$1.8 million surplus note from its acquisition of Lebanon in 2010.

During 2018, Susquehanna purchased a 51% stake in Glacier Capital Holdings, LLC (Glacier), which then acquired all of the outstanding capital stock of Capitol Insurance Company (Capitol), a non-standard personal automobile insurance company located and doing business in the Commonwealth of Pennsylvania.

During 2019, the Group and Susquehanna formed and incorporated a non-insurance subsidiary company, Mutual Capital Analytics, Inc. (MCA). MCA was formed to provide property and casualty insurance data analytics and product management services.

The Group's members consist of all current policyholders of TWIC and Lebanon. The Insurance Department of the Commonwealth of Pennsylvania exercises regulatory authority over the insurance company.

##### *Principles of accounting:*

The financial statements of the Group are presented on the basis of accounting practices prescribed by the Insurance Department of the Commonwealth of Pennsylvania.

## **TUSCARORA WAYNE MUTUAL GROUP, INC.**

### NOTES TO STATUTORY FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2019 AND 2018

#### **1. Nature of business and summary of significant accounting policies (continued):**

##### *Principles of accounting:*

The Insurance Department of the Commonwealth of Pennsylvania recognizes only statutory accounting practices prescribed or permitted by the Commonwealth of Pennsylvania for determining and reporting the financial condition and results of operations of an insurance company for determining its solvency under Pennsylvania Insurance Laws. The National Association of Insurance Commissioners' *Accounting Practices and Procedures Manual* (NAIC SAP) has been adopted as a component of prescribed practices by the Commonwealth of Pennsylvania. During 2019 and 2018, the Group did not have any permitted accounting practices.

Statutory accounting practices prescribed by the Insurance Department of the Commonwealth of Pennsylvania vary in some respects from generally accepted accounting principles (GAAP) in the United States of America. The most significant of these differences is:

- (a) the Group's investment in its subsidiary is reported using the equity method of accounting based on statutory accounting principles, rather than on a consolidated basis in accordance with GAAP, with earnings or losses credited or charged to members' equity as an unrealized capital gain or loss.

##### *Use of estimates:*

Management of the Group has made estimates and assumptions related to the reporting of admitted assets and liabilities to prepare these financial statements in accordance with accounting practices prescribed by the Insurance Department of the Commonwealth of Pennsylvania. Actual results could differ from those estimates.

## **TUSCARORA WAYNE MUTUAL GROUP, INC.**

### NOTES TO STATUTORY FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2019 AND 2018

#### **2. Susquehanna Capital Corporation:**

The following is a summary of investments held by Susquehanna which ultimately comprises the investments of the Group:

	<u>2019</u>	<u>2018</u>
TWIC	\$ 71,614,388	\$ 70,211,651
Lebanon (excluding surplus note from TWIC)	12,823,500	11,295,149
Investment in NKR		1,486,901
Investment in Glacier	3,874,027	3,091,629
Investment in MCA	944,361	
Cash	5,378,262	
Other assets, net	20,898	55,926
Noncontrolling interest	<u>(179,269)</u>	<u>(163,143)</u>
	<u><u>\$ 94,476,167</u></u>	<u><u>\$ 85,978,113</u></u>

The financial statements of Glacier have not been audited. Accordingly, the Group is valuing its investment in Glacier using a statutory look-through approach whereby the Group has limited the value of its investment in Glacier to the audited statutory equity of Capitol and unaudited net assets that are not material to Glacier.

Dividend payments from the insurance subsidiaries are restricted by the insurance laws of the Commonwealth of Pennsylvania. At December 31, 2019, the maximum amount of dividends that may be paid without prior approval of the insurance commissioner is approximately \$8,625,000.

#### **3. Income taxes:**

The Group files a consolidated federal income tax return with its subsidiaries, including Susquehanna, Lebanon, TWIC and its subsidiary, Keystone. The Group is party to a tax allocation agreement, whereby current income taxes are allocated based on separate return computations. Balances due under the current tax allocation agreement are settled quarterly.

#### **4. Subsequent events:**

On March 11, 2020, the World Health Organization declared the outbreak of the 2019 Novel Coronavirus (COVID-19) a pandemic. The COVID-19 pandemic has the potential to cause business disruption to the Group's and Susquehanna's investments beginning in March 2020. The extent of the impact of COVID-19 on the Group's and Susquehanna's investments' operational and financial performance is uncertain and cannot be predicted.
