D.C. CHARTERED HEALTH PLAN, INC.,

Respondent.

Civil Action No.: 2012 CA 008227 2
Judge: Melvin R. Wright
Calendar No.: 15
Next Scheduled Event: Status Hearing
November 19, 2013, at 9:30 a.m.

SPECIAL DEPUTY TO THE REHABILITATOR'S NINTH STATUS REPORT

Daniel L. Watkins, as Special Deputy to the Rehabilitator of D.C. Chartered Health Plan, Inc. in Rehabilitation (Chartered), files this *Ninth Status Report*.

1. **Update From Eighth Status Report.** On October 16, 2013, the Special Deputy filed his Eighth Status Report with the Court. The following information provides an update to the Eighth Status Report.

(a) **Pending Legal Matters.**

- i. On October 17, 2013, the Court approved the Settlement Agreement and Mutual Release with MedStar, attached as Exhibit 1 to the Seventh Status Report. The Rehabilitator and MedStar are completing implementation of the settlement terms and conditions, including *pro rata* payments totaling \$7,040,036.78 to MedStar entities from estate assets made on October 18, 2013. True-up payments of \$31,962.78 for the MedStar entities *pro rata* shares of undisputed claims were paid on November 7, 2013, also from Chartered estate assets.
- ii. On October 17, 2013, the Court approved the Rehabilitator's request, made in the Eighth Status Report, that an order be entered permitting the District of Columbia

Department of Health Care Finance (“DHCF”) to deposit certain funds into the Court Registry for the benefit of Chartered’s providers to facilitate equitable *pro rata* distribution of payments pursuant to the Court-approved Plan of Reorganization. As outlined in paragraph 2 below, the Rehabilitator is now in the process of moving forward with DHCF to get the remaining providers paid through the completion of the grant program and the Court Registry process.

- iii. DCHSI has three pending appeals before the D.C. Court of Appeals. The Court of Appeals consolidated the first two appeals and DCHSI filed its opening brief. The briefing schedule was extended after the Court of Appeals consolidated MedStar’s appeal with DCHSI’s first two appeals. MedStar has filed an extension of time until November 18th to file its brief. MedStar will dismiss its appeal (and all other pending litigation/ arbitration matters) after Chartered satisfies the MedStar Settlement Agreement’s terms and conditions for dismissal. In the meantime, DCHSI has filed a motion to consolidate its third appeal with its first two appeals. The Court of Appeals has not yet ruled on DCHSI’s motion.

(b) Parent Company and Related Party Issues.

- i. On October 23, 2013, defendants in *D.C. Chartered Health Plan, Inc. v. Jeffrey E. Thompson and D.C. Healthcare Systems, Inc.*, Civil Action No. 2013 CA 003752 B (D.C. Super. Ct.) (the Thompson Action) filed their response to the Rehabilitator’s motion for partial summary judgment, to which the Rehabilitator replied on October 30, 2013.
- ii. On October 31, 2013, the defendants filed their motion to dismiss three counts in the Rehabilitator’s complaint in the Thompson Action. The Rehabilitator’s response is due on November 20, 2013.

- iii. On November 1, 2013, the Rehabilitator's counsel forwarded a CD containing financial tax documents to DCHSI's counsel, the latest batch of documents responding to requests by DCHSI.

(c) **Financial Matters.**

- i. The auditing firm of Brown Smith Wallace is close to completing its audit of Chartered's 2013 financials (through April 30, 2013, when Chartered's Medicaid contract with DHCF ended).
- ii. On October 29, 2013, Chartered submitted to its excess reinsurer a full report seeking reinsurance reimbursement for certain large claims. The Special Deputy continues to examine whether to cancel or extend various insurance policies; to discuss with Chartered's insurers available coverage for pending claims; and to address various other insurance-related issues as they arise.

2. **Carrying Out the Plan of Reorganization and Payment of Chartered's Liabilities.**

- (a) **Proofs of Claim.** The Rehabilitator received 62 proofs of claims. Of these, 14 were from Class 1 claimants who have now been paid, and 24 were from Class 3 claimants who were not required to file proofs of claim. The remaining 24 proofs of claim are for Class 4 through Class 9 claims and total approximately \$13,790,182.58, which includes \$11,419,086.13 for DISB's claim for premium tax, plus interest. A few proofs of claim did not quantify the amount claimed. As required by the Plan of Reorganization, the Rehabilitator will consider payment of claims in Class 4 and below only if all Class 3 claims are paid in full. The Rehabilitator will recommend to the Court a plan for making payments in claims that fall in Class 4 or below if and when the Rehabilitator determines there will be assets available to pay such claims. The Rehabilitator continues to project that Chartered's ability to pay Class 3 claims in full and to make any payments on claims

falling in Class 4 or below depends on amounts the Rehabilitator is able to recover in the Thompson Action described in paragraph 1(b) above.

(b) Provider Claims and Payments.

- i. As previously reported, Chartered has paid healthcare providers \$18 million for Part I payments under the DHCF Settlement Agreement. DHCF has been distributing the \$30 million DHCF Settlement Agreement Part II payments through its grant program. The grant application deadline was October 31, 2013.
- ii. The Colbent Corporation is coordinating and documenting the settlement payment process with Chartered and DHCF. Colbent reports that, as of November 8, 2013, it had received 282 grant applications with claims for approximately 98% of the \$30 million in available grant funds. Colbent is working with Chartered and DHCF to complete application processing.
- iii. To facilitate the equitable distribution of the proceeds from the DHCF Settlement Agreement so all Class 3 providers receive a *pro rata* share of their claims, Chartered requested, and received from the Court on October 17, 2013, authorization for the deposit of certain DHCF settlement funds in the Court Registry pursuant to Super. Ct. R. 67. Specifically, DHCF can deposit into the Court Registry the difference between the \$30 million Part II settlement amount and the amount distributed to grant applicants by DHCF. The funds are to be deposited for the benefit of Chartered's providers to facilitate equitable *pro rata* distribution of payments pursuant to the Court-approved Plan of Reorganization. Chartered agreed that the District's obligations under the DHCF Settlement Agreement will be fully satisfied after its deposit into the Court Registry, provided that the amount paid to the grant applicants for Part II settlement

payments and to the Court Registry totaled \$30 million. Chartered will apply to the Court for authorization to withdraw these funds for payment to Class 3 providers who have not received a *pro rata* payment through the DHCF grant program but could have received payment under the program.

(c) **Next Steps.**

- i. Attached hereto as **Exhibit 1** is a report on Part II provider claims paid by the DHCF under its grant program, along with grant program payments still in process.
- ii. Attached hereto as **Exhibit 2** is a report on providers whose grant applications are not yet approved or who did not submit grant applications before the end of the grant program on October 31, 2013.
- iii. The Rehabilitator is discussing with the DHCF the most expeditious way to get all providers paid (both grant applicants in process and non-applicants), including use of the Court Registry as described in paragraph 2(b).
- iv. Optimity completed its claims accuracy and auditing work. Amounts identified for recoupment will be reported to providers as an offset to remaining amounts owed.

(d) **Provider Appeals.** The Rehabilitator has processed and approved \$942,486.53 in claim appeals from providers. The Rehabilitator will pay *pro rata* shares of the approved claim amounts paid on other Class 3 claims after all appeals have been received and processed. The *pro rata* payments will be made from estate assets, subject to the court's approval.

3. **Rehabilitation Expenses.**

(a) The Rehabilitator's petition for approval of the Fourth Submission of Fees and Expense Statements described in the Eighth Status Report is pending before the Court. On

November 14, in connection with that submission, Chartered provided supplemental invoice information for the Court's *in camera* review.

(b) On November 14, 2013, Chartered filed a Notice of Filing by the Special Deputy to the Rehabilitator of the Fifth Submission of Fee and Expense Statements for *In Camera* Review and Petition for Approval of Payment. The Petition is pending before the Court.

(c) Attached hereto as **Exhibit 3** is a spreadsheet showing the Class 1 fees and expenses in the Fifth Submission, along with a summary of Chartered's liquid assets. The Class 1 fees and expenses in Exhibit 3 include final amounts due three companies for administrative services related to Alliance enrollees not previously paid.

4. **Chartered Assets.** Chartered currently has cash assets of approximately \$10 million, with approximately \$780,000 in outstanding Class 1 administrative fees and expenses pending court approval for payment. It is expected that Class 1 administrative fees and expenses will decline materially during the last quarter of 2013 and beyond with certain litigation matters settled, claim auditing payments completed, and a significant amount of *pro rata* provider payments processed and paid.

Respectfully submitted,

/s/ Daniel L. Watkins
