Stand-Alone Dental Rate and Form Filings
May 22, 2013

Note to Carriers: This notice was developed as a resource for carriers for product design purposes for products being offered inside and outside the District of Columbia Health Benefits Exchange (DCHBX). This notice is offered to assist carriers but may be subject to change; accordingly, it is not binding on the District of Columbia Department of Insurance, Securities, and Banking (DISB), the District of Columbia Health Benefits Exchange (DCHBX), or the federal Department of Health and Human Services (HHS). This notice should not be used exclusive of other important resources, including, but not limited to, any and all other applicable District and federal insurance laws and associated rules and regulations. It is the responsibility of carriers to verify that their products comply with all relevant statutory and regulatory requirements.

Please be advised that SERFF v6.1 which will be released on the evening of Thursday, May 30, will allow for the creation and submission of Stand-Alone Dental Plan (SADP) Binders. Please do not create Binders through Plan Management for SADP until Friday, May 31.

The DISB developed this notice at the request of SERFF to advise stand-alone dental carriers not to file their products until the above date. Consequently, the due date for submission of SADP rates and forms to DISB has been extended to June 3, 2013.
