*Change in service provider includes captive manager, actuary, auditor, attorney, managing general agent, managing general underwriter,			

<p>investment advisor or custodian, commercial bank, loss control services, or claims adjustment services. Prior approval is required if there is a change in management personnel or greater than 25% ownership of the service provider. A new service provider assuming the responsibilities of an existing service provider must use same agreement on file with DISB without amendment of any terms. If any terms are changed, prior review and approval will be required.</p>			
<p>** Request for approval must be accompanied by detailed rate study prepared by a qualified actuary.</p>			
<p>All of the percentage changes should be calculated on an annualized basis.</p>
