#### **Financial Experience of Product**

The overall financial experience of the product includes:

In 2022, a total of \$181.5 million in premium was collected and \$165.9 million in claims were paid out. We received \$16.6 million in risk adjustment, for a loss ratio of 82.3%. However, the rate increase of the product is driven partially by the combined Individual and Small group experience, which collected \$242.7 million in premium and paid out \$250.5 million in claims and received \$25.9 million in risk adjustment for a loss ratio of 92.6%.

The rate increase will affect the projected financial experience of the product by:

The proposed rate increases are aimed to bring the loss ratio for the combined Individual/small group pool to a projected 84.6%.
