ORDER NO: SB-CO-01-23

**ADMINISTRATIVE CONSENT ORDER**

WHEREAS the Nexo Group, Nexo Inc., Nexo Capital Inc., Nexo Financial LLC, and their affiliates, successors, and assignees (collectively, “Nexo”) are financial services companies, and affiliates thereof;

WHEREAS the sole Respondent Nexo Capital Inc. has offered and sold interest-bearing digital asset accounts called Earn Interest Product (“EIP”) accounts, which allow clients to earn interest on digital assets;

WHEREAS Antoni Trenchev (“Trenchev”) is co-founder and Managing Partner of the Nexo Group and a director and manager of certain companies within the Nexo Group, including Nexo Inc. and Nexo Capital Inc.;

WHEREAS state securities regulators, as part of a North American Securities Administrators Association (“NASAA”) working group that includes regulators from the states of Washington, California, Kentucky, New York, Oklahoma, Indiana, Maryland, South Carolina, Vermont, and Wisconsin (the “NASAA Working Group”), have conducted an investigation into whether the EIP involved the offer and sale of unregistered securities by Nexo to retail investors, among other things;

WHEREAS Nexo has reached an agreement with the NASAA Working Group to resolve the investigation with respect to the 50 states of the United States of America, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands (collectively, the “53 Jurisdictions”); and

WHEREAS Nexo Capital Inc. has advised the NASAA Working Group of its agreement to resolve the securities investigation pursuant to the terms specified in this Consent Order (the “Order”) and pursuant to the multistate resolution recommended by the NASAA Working Group;

WHEREAS Nexo Capital Inc. shall cease and desist from offering or selling the EIP or any security that is not registered, qualified, or exempt to new clients in the United States and cease accepting further investments or funds in the EIP accounts by current U.S. clients, unless and until the EIP or other securities are registered, qualified, or otherwise exempt; and

WHEREAS as of the date of entry of this Order, Nexo Capital Inc. has amended and updated their terms of service, and any other terms or conditions of Nexo’s relationship with residents of the 53 Jurisdictions, to reflect that residents of the 53 Jurisdictions are the title, beneficial, and legal owners of all fiat currency and digital assets held in their EIP accounts; and

WHEREAS Nexo Capital Inc. shall pay up to a total of Twenty-Two Million Five Hundred Thousand dollars (\$22,500,000) in settlement payments divided equally among the 50 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands and paid to each of the 53 Jurisdictions that enter into a consent order pursuant to the terms of Nexo Capital Inc.’s agreement with the NASAA Working Group; and

WHEREAS the Commissioner of the District of Columbia Department of Insurance, Securities and Banking (the “Department”) having the authority to administer and provide for enforcement of the District of Columbia Securities Act of 2000 (D.C. Official Code § 31-5601.01

*et seq.*) (the “D.C. Securities Act”) pursuant to §§ 602 and 701 of the D.C. Securities Act (D.C. Official Code §§ 31-5606.02 and 31-5607.01), and upon due consideration of the subject matter hereof has determined that grounds exist to allege that respondent engaged in acts or practices resulting in violations of §§ 301 and 501(1) and (3) of the Securities Act (D.C. Official Code §§ 31-5603.01 and 31-5605.01(1) and (3)).

WHEREAS Respondent elects to waive permanently any right to a hearing, appeal, or judicial review with respect to the entry of this consent order under any applicable statutes and municipal regulations, including D.C. Securities Act § 602, D.C. Official Code § 31-5606.02; the Department’s Rules of Practice and Procedures for Hearings, D.C. Mun. Regs. tit. 26-B § 300 *et seq.*; and the District of Columbia Administrative Procedure Act, D.C Official Code § 2-501 *et seq.*

WHEREAS Nexo Capital Inc. admits the jurisdiction of the Department in this matter; and

WHEREAS solely for the purpose of terminating the NASAA Working Group’s securities investigation and in settlement of the issues contained in this Order, Nexo Capital Inc., without admitting or denying the findings of fact or conclusions of law contained in this Order, consents to the entry of this Order. Notwithstanding the foregoing, Nexo Capital Inc. will admit the findings of fact and conclusions of law for the purposes of exceptions to discharge in bankruptcy proceedings under any jurisdiction, including the proceedings set forth in Sections 523 and 1192 of the Bankruptcy Code, 11 U.S.C. §§ 523; 1192.

NOW, THEREFORE, the Commissioner of the Department, as administrator of the D.C. Securities Act, hereby enters this Order:

### **The Offer and Sale of Securities**

17. Between about June 17, 2020, and December 6, 2022 (“Offering Period”), Nexo offered and sold its EIP accounts to new and/or existing District of Columbia investors. The EIP enables investors to passively earn interest by loaning certain digital assets (“Eligible Earn Assets”) to Nexo. Nexo’s EIP investors have no part in selecting, monitoring, or reviewing the revenue-generating activities that Nexo utilizes to earn this interest.

18. As of July 31, 2022, there were approximately 277 District of Columbia EIP accounts earning interest with a total District of Columbia EIP savings wallet value of approximately \$4.18 million. Nationally, there were 93,318 EIP accounts earning interest with a total EIP savings wallet value of approximately \$800,260,000.

19. Nexo has promoted their financial services, including the EIP, to investors primarily through their website at <http://www.nexo.io/> and their mobile Nexo app. On its website, Nexo has provided information about its EIP and a list of supported virtual currencies and their corresponding interest rates. Nexo additionally has promoted the EIP on social media through various platforms including Twitter, Instagram, and YouTube. Through Nexo's website, blog, and social media accounts, Nexo has represented interest rates on these EIP accounts of up to 36%, significantly higher than the rates offered for short-term, investment grade, fixed-income securities or for bank savings accounts.

20. In offering its EIP, Nexo has failed to disclose material information about the investment, including, but not limited to, Nexo's EIP interest generation deployment activities, Nexo's legal and regulatory compliance, and the limitations of Nexo's financial representations.

21. Nexo has allowed, with certain limitations, anyone either 18 years or older, depending on the jurisdiction, to open an EIP account and access Nexo wallet services. When opening a Nexo account, an investor completes several user identity-verification protocols, including, at a minimum, the provision of an investor's legal name, date of birth, and address. An investor will then transfer fiat currency (EUR, GBP, and USD) from a bank account to their Nexo account. Investors can also add cryptocurrency to their Nexo wallet by transferring assets from another crypto exchange or wallet.

### **Nexo's Earn Interest Product**

22. On February 19, 2022, Nexo disallowed any US investors who had not yet opened a Nexo Account from opening an EIP savings wallet. Also on February 19, 2022, Nexo disallowed any existing US investors from adding additional assets into their existing EIP savings wallets.

23. In Nexo's EIP, an investor agrees to invest their Eligible Earn Assets with Nexo, in exchange for passively earning interest that is deposited into the investor's EIP savings wallet. EIP investors begin accruing interest 24 hours after investing Eligible Earn Assets with Nexo.
24. Nexo has offered their EIP in the form of either a Flex EIP Savings Wallet Term ("Flex Term Investment") or a Fixed EIP Savings Wallet Term ("Fixed Term Investment"). Interest from an investor's Eligible Earn Assets is credited to an investor's EIP savings wallets either at the expiration of the Fixed Term Investment, or daily for a Flex Term Investment.
25. For a Flex Term Investment, there is no required "holding" time for an investor to lend their Eligible Earn Assets, and these investors are able to withdraw their Eligible Earn Assets at any time subject to the terms and conditions of a Nexo wallet.
26. For a Fixed Term Investment, investors are unable to withdraw their Eligible Earn Assets for the duration of a defined term. When investing in a Fixed Term Investment, an investor can elect to utilize Nexo's "automatic renewal" feature to rollover their investment at the end of the defined term.
27. The interest rate Nexo pays an investor on their invested Eligible Earn Assets is determined by several factors, including the length of the Eligible Earn Assets loan, the type of cryptocurrency loaned, and whether the investor has a Flex Term Investment or a Fixed Term Investment. Generally, the longer that an investor agrees to maintain their Eligible Earn Assets with Nexo, the higher the rate of return.
28. After February 19, 2022, while Nexo disallowed additional deposits into existing EIP savings wallets, Nexo continued to allow existing investors enrolled in a Fixed Term Investment to rollover their EIP Eligible Earn Assets into a new Fixed Term Investment.

29. In actions from September through November 2022, the NASAA Working Group concluded that by offering existing investors the option to automatically renew their Fixed Term Investment for additional terms (combined with customers accepting the option to renew), Nexo continued to engage in the offer and sale of unregistered securities.

30. On December 6, 2022, Nexo ceased to offer the EIP to investors within the NASAA Working Group states, but not in other U.S. jurisdictions, including the District of Columbia.

### **Deployment and Income-Generating Activities**

31. In accordance with the EIP terms and conditions, the EIP savings wallet interest rate is subject to revision from time to time, at Nexo's sole and absolute discretion. Included in the EIP terms and conditions, investors are required to acknowledge that they:

...understand and agree that we [Nexo] might convert, pledge, re-pledge, hypothecate, rehypothecate, sell, lend, or otherwise transfer, dispose of or use any amount of any Digital Assets in regard to which you use the Nexo Earn Interest Product, separately or together with other property, and for any period of time, and without retaining in our [Nexo's] possession and/or control for delivery a like amount thereof or any other assets, at our [Nexo's] sole and absolute discretion.

32. As such, any profit earned by Nexo investors is earned solely through the efforts of Nexo with means determined solely by Nexo.

33. Nexo groups and deploys investor Eligible Earn Assets with other investors' Eligible Earn Assets and similar, Nexo-owned assets (*e.g.*, Eligible Earn Bitcoin Assets with other Nexo-owned Bitcoin assets). To earn income to pay interest to EIP investors, Nexo engages in deployment activities including the staking, lending, arbitrage, and provision of liquidity on certain decentralized finance platforms, in addition to the lending of aggregated investor Eligible Earn Assets to retail and institutional borrowers.

### **Nexo's Representations Regarding the Offer and Sale of EIPs**

34. In offering the EIP to District of Columbia investors, Nexo has failed to disclose material information related to Nexo's EIP interest generation, Nexo's regulatory compliance, and Nexo's financial representations.

35. Nexo has failed to disclose its lending agreements or the terms contained therein to EIP investors, and as such, Nexo's EIP investors are not provided with information as to whom Nexo's institutional lending partners are, how long the term loan is, or whether these loans are over-collateralized, despite Nexo's assurances that all loans are provided in an over-collateralized fashion. Consequently, Nexo EIP investors cannot adequately evaluate the risk associated with their participation in the EIP prior to investing their Eligible Earn Assets with Nexo.

36. Nexo's website represents to EIP investors that "Nexo has gone the extra mile in ensuring compliance with the applicable regulatory frameworks. Together with our top-tier legal counsel and engaging proactively with the regulatory decision-makers we ensure the sustainability of our products for years to come."

37. Concurrently, Nexo makes the following statements on its website: "The Nexo Group has legal entities in various locations throughout the world...and is in compliance with all applicable global and local regulations...rest assured that Nexo is compliant everywhere it provides services and retains top-tier legal counsels in the jurisdictions of its operation." Further, within the footer of Nexo's website, Nexo displays the phrase "Licensed & Regulated Digital Assets Institution."

38. Through these representations, Nexo gives investors the impression that their investments are less risky. On or about June 30, 2021, Nexo Co-Founder Trenchev appeared on a Yahoo Finance Live broadcast titled, "Crypto-focused banking: Nexo Co-Founder discusses his

company's growth and business model." On this broadcast, Trenchev stated that he "would argue, from a financial perspective . . . that [Nexo is] safer, especially for the larger clients, than your average bank." On July 1, 2021, Nexo re-posted this broadcast to its YouTube channel, and re-named it, "Nexo is Safer than your Average Bank..."

39. Nexo Capital is the entity that operates Nexo's website and conducts the EIP offering. This is not disclosed on the website; instead, the website often uses the name "Nexo" without further clarification. Of the licenses and registrations identified on Nexo's website, Nexo Capital only held two—a money service business registration license in Canada and a registration as a foreign company in Australia. Notably, none of the entities in the Nexo Group, including the respondent, hold securities licenses in the District of Columbia.

40. As such, Nexo: 1) fails to specify Nexo Capital as the operator of the website and provider of the services offered therein; 2) lists the licenses of one or more entities that are not actually doing business in the relevant jurisdictions and that are not conducting the business offered and provided through the website on which the licenses and registrations are listed; and 3) makes the false statement that the Nexo Group is in compliance with "all applicable ... regulations."

41. Nexo represents on its website and through the Nexo YouTube video, "How to Earn Crypto Interest," that an investor's Eligible Earn Assets are secured at all times by Nexo's asset-backed portfolio of over-collateralized loans. Nexo also states that the platform lends to individuals and institutions only on an over-collateralized basis, which is, in part, how Nexo states that they keep EIP interest rates consistent over time and "basically eliminate counter party risk."

42. Further, on or about June 10, 2021, Nexo advertised a forthcoming “real-time audit” of Nexo’s custodial assets by Armanino LLP,<sup>1</sup> which they represented would show that the company’s assets exceed liabilities. In a *Daily Hodl* article published on June 10, 2021, Antoni Trenchev stated, “We are happy to have opened our books to allow Armanino . . . to verify that our company’s assets exceed liabilities at all times and demonstrate how seriously we treat Nexo’s commitments to our customers.”

43. In a Nexo blog post published on September 23, 2021, Nexo presented the Armanino report, which purports to offers a “real-time audit of Nexo’s custodial assets, showing the company’s assets always exceed liabilities.” This Armanino report is updated daily and Nexo claims that it provides the following assurances: 1) “Fully Backed: Your holdings on Nexo’s platform are backed by assets by more than 100%”; 2) “Properly Managed: Third-party assurance that your funds on the Nexo platform are properly managed and accounted for”; and 3) “Always Available: 24/7 proof of Nexo’s ability to meet all liabilities owed to you at any time.” This Armanino report is publicly available online at <https://real-time-attest.trustexplorer.io/nexo>.

44. More recently, as a response to a competing cryptocurrency firm freezing customer withdrawals on June 12, 2022, Nexo’s Twitter account tweeted:

All Nexo products are operating normally – Borrow, Earn, Exchange...Nexo is the first and only blockchain finance company to have a real-time audit of its custodial assets, showing that the company’s assets exceed its liabilities at all times which attests to Nexo’s liquidity and ability to meet all of its obligations...Nexo is in a solid liquidity and equity position to readily acquire any remaining qualifying assets of Celsius, mainly their collateralized loan portfolio . . .

---

<sup>1</sup> Armanino LLP is a Public Company Accounting Oversight Board (“PCOAB”) – certified auditor, accounting and consulting firm in the US.

45. Nexo provided a link to their real-time attestation Armanino report within the body of this tweet.

46. Nexo's provision of the Armanino report in conjunction with these claims of financial stability gives the appearance that the Armanino report can support Nexo's claims of financial stability in a turbulent market.

47. Despite representations by Nexo, the data and figures set forth in the Armanino report contain several material shortcomings, as described in the report's Agreed Upon Procedures, that limit the report's ability to provide assurances of Nexo's financial stability. These limitations include 1) a failure to identify non-Customer Liabilities; 2) a failure to identify whether Customer Liabilities include the collateral that Nexo holds for over-collateralized retail loans; 3) a failure to identify the liquidity of Nexo's assets; 4) a failure to identify doubtful loan accounts (*e.g.*, a distressed or non-paying borrower accounts); and 5) a failure to identify whether Nexo's deposit liabilities are secured or otherwise collateralized by Nexo's assets.

48. As such, this report is of limited value and cannot be used to support Nexo's claims that "Nexo's assets exceed their liabilities by more than 100%".

### **Failure to Comply with Registration Requirements**

49. During the Offering Period, Nexo Capital Inc.'s offer and sale of the EIP was not subject to an exception or exemption from registration requirements in the District of Columbia.

50. During the Offering Period, Nexo Capital Inc. offered and sold securities in the District of Columbia that were not registered or permitted for sale in the District of Columbia as required by D.C. Official Code § 31-5603.01.

## **II. CONCLUSIONS OF LAW**

51. The offer and/or sale of Nexo Capital Inc.'s Earn Interest Product described above constitutes the offer and/or sale of a security as defined in D.C. Official Code § 31-5601.01(31).

52. During the Offering Period, Nexo Capital Inc.'s offer and sale of securities in the District of Columbia that were not registered or permitted for sale in the District of Columbia violated D.C. Official Code §§ 31-5603.01 and 31-5605.01(1).

53. The foregoing violation D.C. Official Code §§ 31-5603.01 and 31-5605.01(1)) constitutes the basis for the assessment of a civil penalty against Nexo Capital Inc. pursuant to D.C. Official Code § 31-5606.02(b)(4)
