Who must file the Form D-41?

File a D-41 if you are the fiduciary of a DC estate or trust and:

- The gross income for the estate is \$1,675 or more for the taxable year; or
- The gross income for the trust is \$100 or more for the taxable year.

Do not file a D-41 if you were appointed by a judge to receive a trust or estate and represent only a part of the property of an individual.

NOTE: Identification numbers (Federal Employer Identification Number (FEIN) and Social Security Number (SSN)) are used for tax administration purposes only.

Other DC tax forms that fiduciaries may need to file

D-40 or D-40EZ

A fiduciary who is responsible for the income of a DC resident, such as a minor (or someone else unable to administer his or her own assets), must file an individual income tax return for that person in addition to the Form D-41.

D-40 for a deceased person

A fiduciary must file a D-40 for the last taxable year of the deceased person.

D-41ES Estimated Tax payments

If you wish to make estimated fiduciary income tax payments, use the D-41ES forms included in this booklet.

Send the D-41ES to: Office of Tax and Revenue PO Box 441 Washington, DC 20044-0441

D-41P Payment Voucher

If you are sending a payment to us, please staple it to the D-41P. File the D-41P with the D-41 (do not attach it). Copies of the D-41P are in this booklet.

D-30 Unincorporated Business Franchise Tax Return

A D-30 return must be filed by a trust located outside DC which has gross income in excess of \$12,000 from DC rental and/or from other taxable DC trade or business property.

If the business is terminated, gain or loss is reported by the owners (if they are outside DC) to the jurisdiction of their domicile. A D-30 must be filed to report any depreciation recapture.

FR-127F Extension of Time to File

Use this form if you cannot file a complete D-41 return by the due date - the 15th day of the fourth month after the end of the tax year. The extension of time to file is for six months. You must submit the FR-127F form by the original return due date.

An extension of time to file does not extend the due date for paying any tax you may owe. Before you file for an extension, estimate the tax owed and pay it in full with the FR-127F by the due date of the D-41 return. Copies of the FR-127F are in this booklet.

Send the FR-127F to: Office of Tax and Revenue PO Box 211 Washington, DC 20044-0211

D-76 (D-76EZ) DC Estate Tax Return

A fiduciary must file a DC estate tax return if the gross estate is \$1,000,000 or more even if the Federal Estate Tax Return, Form 706, is not required to be filed.

Federal Forms 1099 and 1096 for payees with DC addresses

Fiduciaries representing estates or trusts must file copies of forms 1099 and 1096 for payees with DC addresses, if such payments are not covered by DC withholding tax statements. This includes estates or trusts that:

- are engaged in business and making payments to another person for rent, salaries, wages, premiums, annuities, compensation, or other profits; and
- have earned income of \$600 or more in the taxable year

What income must grantors and beneficiaries report on their DC tax returns?

Grantors of a trust must report:

- Income distributed to the grantor;
- Income held or accumulated for future distribution;
- Income applied to the payment of premiums on insurance policies on the grantor; and
- · Income received from a revocable trust when
 - the title to any part of the trust is vested in the grantor or
 - the power to revest in the grantor is vested.

Beneficiaries who are DC residents must report:

• Income paid or payable from a resident or nonresident trust.

What period should the D-41 cover?

If you file a federal Form 1041, the income you report on the DC D-41 must be based on the same calendar or fiscal year as your Form 1041. A fiduciary may not change from reporting on a calendar-year basis to a fiscal-year basis or vice versa without written permission from the Office of Tax and Revenue. To request a reporting period change, write to:

Office of Tax and Revenue Audit Division PO Box 556 Washington DC 20044-0556

When and where should you file the D-41?

Due date

You must file for 2008 by April 15, 2009 if you are a calendar year filer. Fiscal year filers must file by the 15th day of the fourth month after the end of the fiscal year. If the filing date falls on a Saturday, Sunday or legal holiday, the return is due the next business day.

If you need more time to file your return, request an extension, using Form FR-127F, by the due date of the return. Any tax due must be paid in full with the request; there is no extension of time to pay.

Mailing address

Send the completed original D-41 return to: Office of Tax and Revenue PO Box 441 Washington, DC 20044-0441

How to avoid penalties and interest

File and pay on time

There is a 5% per-month <u>penalty</u> for failure to file a return or pay any tax due on time. The penalty is calculated on the unpaid tax for each month or part of a month that the return is not filed or the tax is not paid. The maximum penalty is an additional amount equal to 25% of the tax due.

You will be charged <u>interest</u> of 10% per year, compounded daily, on any amount (including penalty and accrued interest) not paid on time. Interest is calculated from the due date of the return to the date the outstanding balance is paid.

Do not understate your taxes

There is a 20% penalty on any understated amount of taxes due if:

- The unpaid amount is more than 10% of the actual amount due; or
- The unpaid amount is \$2,000 or more.

Tax return preparers will be penalized for understating taxes due to any of the following situations:

- The refund or amount due is based on unrealistic information;
- The preparer should have been aware of a relevant law or regulation; or
- Relevant facts about the return are not adequately disclosed. Penalties range from \$250 to \$10,000.

Payment to DC Treasurer

Include a check or money order payable to the DC Treasurer with the completed return. Write the estate or trust SSN/FEIN, and "2008 D-41" on the payment. You may not pay by credit card. Attach the payment to the D-41P voucher provided in this booklet.

Make sure your check will clear

You will be charged a \$65 fee if your check is returned to us.

Grantor

The person who creates a trust and transfers the title of the property and assets to another. That person may also be called "trustor," "settlor," or "donor."

If the deceased was a DC resident at the time of death, then his or her estate is a DC resident estate.

Trust

An entity created to hold assets for the benefit of certain people or entities.

Simple trust

One which requires that all income be distributed each year rather than being accumulated.

Complex trust

One that does not qualify as a simple trust.

Testamentary (created by will)

Inter vivos (living)

One which comes into existence during the lifetime of the person who created it. Often the trust is for a minor or someone else who is unable to administer his or her own assets.

- The person who created the testamentary trust was a DC resident at the time of death; or
- The creator of an *inter vivos* trust was a DC resident at the time the trust was created; or
- The trust consists of property of a DC resident; or
- The trust results from the dissolution of a corporation organized under DC laws.

The residence of the fiduciary does not determine whether the the trust is a resident or nonresident of DC.

Instructions for the D-41

Getting started

- You'll need a copy of your completed 2008 federal Form 1041 and a calculator to complete this form.
- You may copy many amounts directly from the Form 1041.
 Please be careful since the line numbers for the various entries differ from Form D-41 line numbers.
- Not all items will apply to you. Fill in only those that do. If an amount is zero, leave the line blank.
- · Round cents to the nearest dollar.

Example: \$10,500.50 rounds up to \$10,501 \$10,500.49 rounds down to \$10,500

- If the trust/estate does not have an identification number, please provide the social security number of the owner/decedent.
- If you fill in the "final return" oval, you do not need to file again for this entity.

Fiduciary information

Amended return

If you are filing an amended return, fill in the amended return oval on the D-41 and complete the form with the correct information. Attach an explanation of any adjustments. If the Internal Revenue Service adjusted your federal form 1041 after you filed a D-41, you must file an amended D-41 within 90 days

of receiving notice of the federal adjustment. Include a copy of the federal adjustment.

Entity type

Fill in the oval that describes the entity for which you are filing.

Trust type

Fill in the oval that describes the trust type.

Income

Line 1 Federal total income

Enter the amount from your federal Form 1041, Line 9.

Line 2 Additions to federal total income

This is income, if any, that is not taxed by the federal government and also deductions taken on the federal return but not allowed by DC. You must add these items back to your federal total income to compute your DC tax. Complete Calculation A below.

NOTE: Unlike the Federal Government, DC does not allow the additional 30% or 50% bonus depreciation nor the additional IRC section 179 expenses. Therefore, any such amounts claimed on the federal tax return cannot be claimed on the DC return. Also, the Net Operating Loss <u>Carryback</u> allowed for federal tax purposes is <u>not allowed</u> for DC tax purposes.

Line 4 Subtractions from federal total income

This is income, if any, that DC does not tax. Subtract it from your federal total income to compute your DC tax. Complete Calculation B below.

Calculation A Additions to federal total Income	
a Franchise tax deduction used to calculate business income or loss That amount included on federal Form 1040 Schedule C, Line 23 or Form 1040 Schedule C-EZ Line 2.	а

Deductions and exemptions

Line 9 Other deductions

Add amounts on Lines 12, 13, 14, 15a, 15b and 19 of your federal Form 1041. These include deductions for fiduciary fees; charitable contributions; attorney, accountant, and tax preparer fees; estate tax deductions and other miscellaneous deductions.

Line 10 Exemption

Enter \$1,675 for estates and \$100 for trusts.

If you are filing an <u>estate return</u> and it covers less than a year, you must prorate the exemption amount. Multiply the number of months the estate was active by \$125.

To calculate the number of months the estate was active divide the number of days the estate was active by 30. Any remainder over 15 days counts as a full month.

Example: 196 days divided by 30 = 7 months (6 months plus a remainder of 16 days).

Line 14 Credit for taxes paid to other states

Add all tax amounts paid to other states that would be deductible for DC tax purposes. To be deductible, taxes paid to other states must be fiduciary income tax paid to another state while a DC resident. In addition, the tax paid must be on income that is of a kind taxable by DC.

Signature

The fiduciary or the person authorized to represent the organization controlling the income of the estate or trust must sign the return. If the return was prepared by a paid preparer, he or she must also sign the return and provide their identification number.

Attachment of the will or trust agreement and explanatory statement

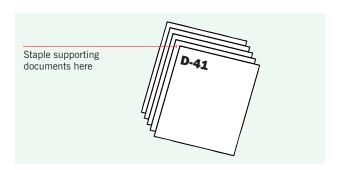

Attach a copy of the will or trust agreement to this return. Also attach a statement listing the amounts of income of the estate or trust taxable to:

- The estate or trust:
- Its beneficiaries; and
- The grantor of the trust.

If you filed these documents before, do not file them again unless they have been amended. Enter the date you originally filed the documents in the "Additional documentation" section at the bottom of page 2 of the form. If the documents are amended after being filed, a copy of the amendment must be filed with the return for the taxable year in which the amendment is made. A statement must also be filed explaining the effect of the change(s).

Assembling the D-41 return

- If you are including a check or money order staple it only to the D-41P payment voucher.
- Staple supporting documents to the upper left corner behind the D-41.
- Mail the D-41P with, but not attached to, the D-41.

Print in CAPITAL letters using black ink. Leave lines blank that do not apply.

Extension of Time to File FR-127F Instructions

Why file the FR-127F?

You should file this form if you cannot file the D-41 by the due date. By filing this form, you can receive a 6-month extension of time to file. A filing extension is not an extension of the due date for paying any tax you may owe. Before filing for an extension, you should estimate the tax owed and pay that amount with the FR-127F filed by the original due date of the D-41 return.

Additional extension for DC residents living or traveling outside the United States.

In addition to the 6-month extension, you may receive an additional 6-month extension. You must file for the first 6-month extension by the due date of the D-41before applying for the additional extension of time to file.

You must use Form FR-127F to request an extension of time to file a DC fiduciary return.

Extension of Time to File FR-127F Instructions

Why file the FR-127F?

You should file this form if you cannot file the D-41 by the due date. By filing this form, you can receive a 6-month extension of time to file. A filing extension is not an extension of the due date for paying any tax you may owe. Before filing for an extension, you should estimate the tax owed and pay that amount with the FR-127F filed by the original due date of the D-41 return.

Additional extension for DC residents living or traveling outside the United States.
